Summary Purpose of Paper:	<p>To provide details of the proposal for new safeguarding children arrangements under the Children and Social Work Act 2017 and Working Together to Safeguard Children 2018 and to seek the endorsement of the Board for the approach being taken.</p> <p>A meeting of the safeguarding partners has taken place to consider how new arrangements should be funded. The proposal agreed, subject to ratification, is to maintain the contributions for 2019/20 at the same level as those to the NSCB the previous year. A review of the funding arrangements is then proposed to be undertaken during 2019 to enable the safeguarding partners to consider the future resourcing requirements, agree the level of funding provided by each safeguarding partner and any contributions from relevant agencies. The review will consider how the reserve should be used and the appropriate level of reserve moving forward and will also take account of the statutory guidance requirement that safeguarding partners funding of the arrangements should be 'equitable and proportionate'.</p> <p><u>Recommendations:</u></p> <ol style="list-style-type: none"> 1) That the preferred option for new safeguarding arrangements is endorsed. 2) That the proposals within this report for funding of the new arrangements for 2019/20 should be agreed. 3) That a review of the funding for the safeguarding arrangements be undertaken during 2019.
