

GOVERNING BODY

Title: Report of the Patient and Public Involvement Committee

Presenter: Dr Janet Champion, Lay Member for Patient and Public Involvement

Purpose of the Paper:

To inform the Governing Body of the work undertaken by Patient and Public Involvement Committees at its meetings on 9 January 2018 and 29 March 2018

Key Issues and Recommendations:

The Committee agreed to highlight the following to the Governing Body :

9 January 2018

- Hazel Buchanan (HB) presented an overview on urgent care with an aim for the Committee to have a discussion on the engagement plan.
- An update on the Waste Medicines and Over the Counter (OTC) campaigns
- The Committee agreed that due to the current position of the CCG going through a restructure, the Terms of reference do not require change or amendment as the Committees will change in the near future.
- Terry Lock gave an update on Connected Notts

29 March 2018

- A presentation was given on the potential financial recovery schemes for 2018/19 which included gluten free, over the counter medicines and weight management.
- The Let's talk campaign was introduced which linked to the Financial Recovery Group programme.
- An update on the CCG alignment
-

Action required by the Governing Body:

To **note** the work of the Patient and Public Involvement Committee and to respond to key issues and recommendations if required.
